**(HOUSTON) November 19, 2021** – The 33rd annual *Homes for the Holidays* pet adoption event hosted by Neiman Marcus and the Houston SPCA will bring back adoptable puppies and kittens to the luxury retail brand’s magical storefront windows **every weekend from Friday, November 26 through December 12; followed by a daily schedule from Friday, December 17 until December 23.**

When the official start to the holiday shopping season kicks off on the day after Thanksgiving, shoppers will once again enjoy the thrill of viewing adoptable pets as the little felines and canines frolic inside the notable Neiman Marcus holiday windows. The premier retailer will once again *generously gift five dollars* for every dog or cat adopted from the Houston SPCA during one of the city’s favorite holiday traditions.

**Beginning at 9 a.m. on Black Friday**, Neiman Marcus will unveil this year’s magnificent holiday storefront windows, featuring adoptable puppies and kittens, and welcome all Houston Galleria shoppers.

Each pet adoption package at the Houston SPCA is valued at around \$500 and includes the pet’s microchip, spay or neuter surgery, up-to-date vaccinations, a free wellness veterinary exam at any VCA Animal Hospital and a free sample-sized bag of Hill’s Science Diet. While the available pets will vary at Neiman Marcus, all available pets at the Houston SPCA can be found [here](#).
