**(HOUSTON) March 14, 2022** – Houston SPCA Animal Cruelty Investigators rescued two horses and a mini, 10 dogs, nine puppies, four guinea pigs, one rabbit, two pythons, including a Burmese and a Ball; one dwarf caiman as well as a calf all from inside a second story home filled with garbage, debris and animal remains in Hitchcock, Texas. The second rescue was in nearby La Marque where **52** cats were removed from a home in deplorable condition filled with urine and feces.

Both owners were served warrants by the Galveston County Sheriff's Office, so the Houston SPCA could remove all of the animals from each property. All **83** animals are now at the Houston SPCA where they will receive individualized treatment by veterinary staff.

The Houston SPCA's 10-member animal cruelty investigations team work closely with local law enforcement including HPD, Harris County Constable Precinct 1 and nine other surrounding counties to help end animal cruelty. Report animal cruelty by calling 713.869.7722 or online at [www.houstonspca.org](http://www.houstonspca.org).

The Houston SPCA is a 501 (c) (3) non-profit that operates solely on donations. They are not affiliated with any other animal welfare organization, locally or nationally.
