**(HOUSTON) November xx, 2022** – The 34th annual *Homes for the Holidays* pet adoption event hosted by Neiman Marcus and the Houston SPCA will feature adoptable puppies and kittens in the luxury retail brand’s magical storefront windows every weekend beginning **Friday, November 25 through December 11; followed by a daily schedule from Friday, December 16 until December 23.**

When the official start to the holiday shopping season kicks off on the day after Thanksgiving, shoppers will once again enjoy the thrill of viewing adoptable pets as the little felines and canines frolic inside the notable Neiman Marcus holiday windows. The premier retailer will once again *generously gift five dollars* for every dog or cat adopted from the Houston SPCA during one of the city’s cherished holiday traditions.

**Beginning at 9 a.m. on Black Friday**, Neiman Marcus will unveil this year’s newly designed holiday storefront windows that will include adoptable puppies and kittens while they welcome all Houston Galleria shoppers.

Each pet adoption package at the Houston SPCA is valued at around \$500 and includes the pet’s microchip, spay or neuter surgery, up-to-date vaccinations, a free wellness veterinary exam at any VCA Animal Hospital and a free sample-sized bag of Hill’s Science Diet. While the available pets will vary at Neiman Marcus, all available pets at the Houston SPCA can be found [here](#).
