HOUSTON (September 1, 2023) – The Houston SPCA is proud to announce the births of TWO litters of piglets in less than a week after four Berkshire pigs were rescued along with three female sheep and their three lambs from a north Houston property last week. Houston SPCA Animal Cruelty Investigators and Harris County Constable Precinct 1 at the scene said the animals were found emaciated with no food or water.

Both Mamas and their friends were treated to a [well-deserved 'fruitcuterie'](#) board made with grapes, apples, bananas and strawberries to celebrate all the new arrivals.

The piglets have just been named: Gizmo, Sweetie, Piggie, Suey, Hamlet, Goonie, Tweetie and Berta. Once the piglets are weened and a little bit older they will be available for adoption along with the other rescued farm animals.

The process for adopting farm animals from the Houston SPCA can be found [here](#).

The Houston SPCA is located near Memorial Park at 7007 Old Katy Road, Houston, Texas 77024 and is open Monday through Sunday from 11 a.m. to 6 p.m. Available pets can be viewed online at www.houstonspca.org.
