(HOUSTON) November 20, 2024 – The 36th annual [Homes for the Holidays](#) pet adoption event hosted by Neiman Marcus and the Houston SPCA will feature adoptable puppies and kittens in the luxury retail brand’s magical storefront windows, designed by Kim Hartz, **every weekend beginning Friday, November 29 at 9 a.m., through December 12; followed by a daily schedule from Friday, December 13 through Saturday, December 21.**

When the official start to the holiday shopping season kicks off on the day after Thanksgiving, shoppers will once again enjoy the thrill of viewing adoptable pets as the little felines and canines frolic inside the notable Neiman Marcus holiday windows as one of the city’s most cherished holiday traditions.

Beginning at 9 a.m. on Friday, November 29, Neiman Marcus will showcase this year’s newly designed holiday storefront windows that will include adoptable puppies and kittens while adoptable small dogs will also be walked around for a meet-and-greet with shoppers and potential adopters.

Each pet adoption package at the Houston SPCA is valued at around \$500 and includes the pet’s microchip, spay or neuter surgery, up-to-date vaccinations and a free sample-sized bag of Hill’s Science Diet. While the available pets will vary at Neiman Marcus, all available pets at the Houston SPCA can be found [here](#).
